Dear Mr. Miller:

**PROPOSED SOUTHERLY ANNEXATION
DISTRICT NO. 47 TO THE CITY OF
AZUSA**

At the meeting held on February 6, 1963, the County Boundary Commission reviewed the boundary description and map submitted by you with your letter of January 22, 1963, of the proposed annexation of territory to the City of Azusa.

This proposed annexation divides an existing island of unincorporated territory into two islands.

Although the boundaries submitted conform with record lines, lines of ownership, and existing city boundaries, and no corridor of unincorporated territory is created, upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Very truly yours,

GORDON T. NESVIG
